

American Indian Anti-Meth Campaign

“Teach Them” Adult Radio Advertisement Transcript

WOMAN:

Teach them how to make frybread.
Tell them the creation stories.
Show them our traditions.

Protect your kids from meth.
Meth is killing our spirit, our community, even our youth.

Talk to your children — and keep our culture alive.

GIRL:

Learn more at ncai.org.

A message from the Partnership for a Drug-Free America and the National Congress of American Indians.
